# The Rebel Belle Guide to *Bold Self-Expression*

The 7 Steps to Discovering Freedom – *Full Out & On Your Terms!*

## Step #5: Boldly Go Where No Belle Has Gone Before

**A Rebel Belle embraces uncertainty like a lover!**

So, are you ready to have everything you want? Would you like to create a life full of joy, creativity and most of all ease? If so, let's get started. It's time to fully own your creative powers to manifest all that you desire and move fearlessly in the direction of your dreams.

So what is this move "fearlessly" thing? Is there something you're supposed to be afraid of? Not unless you think there is. A Rebel Belle knows that as the center of her universe, she creates her reality. She knows and trusts who she is and where she is going, and she fully owns her life circumstances.

She is not afraid to face her issues and tackle the troubles that come her way. After all, she IS the Rebel Belle. She loves a challenge. She loves seeking her freedom and at times is actually quite bored with certainty. She knows that certainty is playing it safe, and the Rebel Belle likes playing big and bold, right? She knows who she is, what she is here to do and that she can trust her intuition to guide her on the path. She is ready to have it all!

So how does the Rebel Belle boldly go where no belle has gone before to create the life of her dreams, fully express herself in the world and have it all?

*She embraces uncertainty. It's where her freedom begins.*

*She is bold and truthful about what she wants. She asks from her heart.*

*She trusts that the universe is "on it". She KNOWS it is on the way.*

*She invests her time doing what she loves to do. This is her point of attraction.*

*She feels and trusts her way into alignment. When it feels good, she does more!*

*She is patient with manifestation. She allows timing and enjoys the ride.*

*She says "Thank you!" and launches another rocket of desire!*

Dream it, feel it and watch it appear!
